March 27, 2009

Dear Parents of 8th grade Students,

We have begun some transition activities for high school! This week 8th grade teams had an assembly with High School guidance counselors to learn about the exciting opportunities Pentucket has to offer. As part of the assembly students were given an overview of courses, a program of studies, and course selection sheets to take home and review with parents. ***Course selection sheets need to be returned to the middle school no later than April 1st.*** The course selection sheets have levels and courses deemed by the classroom teacher to be the appropriate placement for your student. It is the teacher's recommendation based on guidelines given from the high school and STS scores.

If there is a disagreement with a teacher's recommendations we ask that you contact the subject-appropriate department chair for an appointment at the high school. Together they will review the data discussed during the placement meeting.

Sincerely,

Robin L. Wilson
Principal
