

Could you use extra money for food? **SNAP can help.**

SNAP = \$ for food. The financial burden from the pandemic has been a roller coaster of ups and downs affecting us all in different ways. SNAP has been a steady and reliable source to extend your budget throughout these times of uncertainty. With gas prices skyrocketing and food prices through the roof — we could all use a little extra money in our pockets! Once enrolled, your SNAP benefits are put onto a card each month. You'll use this card just like an atm or bank card and it's accepted at most supermarkets, convenience stores and some farmers' markets. **SNAP is for everyone** — families, seniors, disabled, employed, unemployed, veterans, and active military.

Our Neighbors' Table makes it easy to apply for SNAP. We will help you apply for SNAP over the phone — there's no need to come in!
